

BIGHANDICAP WON BY FASHION PLATE

Crowd of 10,000 Cheers Winner as He Flashes Under Wire.

(Special to The Times-Dispatch.) Belmont Park, May 13.—Fashion Plate, admirably ridden by McJee, won the Metropolitan handicap by a length, before a crowd of 10,000 people, at Belmont Park today. He was cheered as he flashed under the wire a winner. Jack Atkin, who finished third, unfortunately bore out on the home turn, losing many lengths, but for this he would have won. Resti-touche made the pace to the stretch, where he tired, and Fashion Plate took the lead and won under a drive, by a length from Prince Imperial, with Jack Atkin third. Summary:

First race—maiden, two-year-olds, \$500 added, four furlongs, straight—Star O'Ryan, 7 to 2, first; Sam Lewis, 15 to 1, second; Amalfi, 4 to 1, third. Time, 1:18.

Second race—three-year-olds and up, \$500 added, six furlongs, main course—Madman, 8 to 5, first; Magazine, 8 to 1, second; Guy Fisher, 5 to 1, third. Time, 1:12 1-5.

Third race—two-year-olds, \$100 added, four and a half furlongs, straight—Plutoer, 8 to 1, first; Anna Cassa, 7 to 5, second; Royal Meteor, 13 to 10, third. Time, 52 2-5.

Fourth race—Metropolitan handicap, three-year-olds and up, valued \$1,000, one mile—Fashion Plate, 6 to 1, first; Prince Imperial, 25 to 1, second; Jack Atkin, 5 to 1, third. Time, 1:37 4-5.

Fifth race—steepchase, maiden, four-year-olds and up, \$100 added, about two miles—Mellow Mint, 5 to 1, first; Banyah, 4 to 1, second; Mystic Light, 10 to 1, third. Time, 4:09 2-5.

Sixth race—selling, three-year-olds and up, \$500 added, mile and a sixteenth—Bonnie Keno, 7 to 2, first; Eddie Dugan, 2 to 1, second; Sir Clegem, 10 to 1, third. Time, 1:15 2-5.

N. C. ENDURANCE RUN A FOUR-DAY AFFAIR

The route for the North Carolina endurance run was decided last night after a conference with Leonard Tufts, president of the Capital to Capital Highway Association, who stopped in Richmond in order to advise regarding the roads in North Carolina. The run will be from Richmond to Littleton the first day, from Littleton to Raleigh the second day, from Raleigh to Clarksville the third day, and from Clarksville to Richmond the fourth day. The time of the run has been cut from six to four days, for the reason that many who desired to enter their cars are unable to be away longer than four days. The dates therefore will be June 5, 7, 8, and 9—Monday, Tuesday, Wednesday and Thursday, of the second week in June.

Mr. Tufts, who came to Richmond in his motor car, has just been over the greater part of the route, and declares that no better selection could have been made. It was at first proposed to go to Greensboro, Charlotte, Rockingham, Pinchurst and Sanford, but the distance could not be accomplished in less than seven days, and so the plan had to be abandoned. The three nights spent away from Richmond will be Monday night at Greensboro, Tuesday night at Littleton, Wednesday night at Raleigh, and Wednesday night at Clarksville.

The entire trip will be about 420 miles, or an average of 105 miles each day. Control points will be established at Petersburg, Staunton, Creek, Emporia, Roanoke Rapids and Littleton the first day; at Warrenton, Henderson, Wake Forest and Raleigh the second day; at Apex, Durham, Oxford and Clarksville the third day, and at Boyden, South Hill, Lacrosse and Petersburg the last day of the run.

It is expected that the leading Richmond entries will be received from Petersburg, Emporia, Henderson, Raleigh, South Boston, Arvon, Norfolk and Columbus, O.

The entry list will close at midnight Saturday, May 28.

SEASON 1910

Eight School Sections

The Times-Dispatch has for several years made a *special* feature of School News and Advertising. For the past two years its Educational Sections have been the largest and most comprehensive ever issued by any American newspaper, and have contributed in no small degree to the steady growth and development of the educational institutions whose announcements have appeared in its columns—schools located in Virginia, West Virginia, North and South Carolina, Maryland, Pennsylvania and District of Columbia.

The Times-Dispatch Announces a New Idea in School Advertising

The annual school sections of The Times-Dispatch having ranked as leaders among similar issues of the Metropolitan press of the United States, and the 1910 *idea* of issuing EIGHT School Sections (in eight consecutive weeks), being original with The Times-Dispatch, its position is more thoroughly fixed, and its value as a high-class medium through which to reach its 100,000 readers is greatly increased.

The 1910 School Section of The Times-Dispatch will be issued in eight volumes, one each week, on the following dates: July 10-17-24-31 and August 7-14-21-28.

The new plan has met the hearty approval of school men, not only in Virginia, but in other States as well, as indicated by the following list of schools that have already engaged space in each of the forthcoming eight School Sections.

RACE MEET BEGINS AT 2 O'CLOCK TO-DAY

Everything Is Ready For the Bugle, and the Race Card Promises Classy Going, Both on the Flats and Over the Jumps—Horse Show Classes Filled.

With stables packed with the best horses that the State of Virginia can produce, which are the finest in the world, the thoroughbreds and "Leppers" ready for the bugle, which will send them over the course, and the weather man promising weather bright and fair, the sixth annual meeting of the Virginia Horse Show and Racing Association has every prospect of being an unqualified success. Everything is ready, and promptly at 2 o'clock this afternoon the first class of show horses will be trotted into the show ring to have their merits passed upon.

The Virginia Racing and Horse Show Association starts the Virginia horse show circuit, and in the absence of any other occasion of the kind and the rather fat prizes offered stables from all over the State will start the annual pilgrimage here to-day. Horses bred in the purple that have walked away with honors in horse shows in Virginia and in the North are in the stables in the Fair Grounds, and the competition

mer Wilson, Clerk of the Scales, Bernard Dowell, Paddock and Patrol Judge, E. A. Watson.

The horse show will begin promptly at 2 o'clock, with a class of horses in harness, followed by horses in harness and ponies in harness. The hunter and saddle classes will not be put on until after the large harness classes have been weeded out in order that the late ones will not miss the hunters and their incident excitement.

The horse show classes are filled to the brim with good ones, and unless the contestant has action, conformation and all other qualities that go to make horse flesh of the highest order there is little chance for a ribbon. The entries in both class and number remind the casual observer of the days of the old Richmond horse show, when the bluest blood of the equine world came to Richmond in large numbers. The race card to-day, while rather small, presents a promise of classy sport. The entries have raced in Jacksonville, Tampa, Jamestown and Pimlico, and the verdict has been good. Billie Hibbs, Nolesse, Young Blitzen, Essex and other good ones, known and unknown to the Richmond race-goers, are ready for "hoots and saddles."

"Bob" Taylor was on the grounds yesterday afternoon putting old Essex through his paces over the jumps, and the old campaigner is as strong as ever. Mr. Taylor has a string of five in the Fair Grounds ready for the meeting and one of them is entered in each race to-day. George C. Hall, in the first; Beggarman, in the second; King of Bashan, in the third, and Es-

sex in the fourth. Young Blitzen, owned by J. L. Garthwright, is another strong horse over the jumps, and will, as he has done in the meets here and in other places, carry the coin and hopes of Richmonders. Young Blitzen has been a favorite in Richmond and Baltimore for two years and has rarely failed to bring home the money.

WASHINGTON AND LEE WINS.
Alabama loses in Fastest Game of Season by Score of 2 to 0.

(Special to The Times-Dispatch.) Tuscaloosa, Ala., May 13.—Washington and Lee defeated Alabama in the fastest game seen here this season, the contest being a pitchers' battle between Moran and Pratt, in which Moran had the better of it. W. & L. scored in the first, on singles by Smith and Reichenwald, and again in the fifth on a three-bagger by Erwin and a single by Elrod. Alabama came near scoring in the seventh, but Moran retired the side in great style. Smith, Brown and Erwin starred in the field for Washington and Lee, and Baugartner and Thornton for Alabama. Elrod caught a great game.
